

PAPERPAK™

The Guide

The PaperPak Difference

PaperPak was established in 1989, with the aim of providing a complete paper packaging solution for retailers.

PaperPak is a proudly Australian family-owned and operated business, and is part of the Detmold Group, founded by Colin Detmold in 1948.

We offer the largest range of recyclable retail packaging in Australia and New Zealand, and service some of Australia's biggest retail brands like Country Road and Kathmandu.

Sustainability

We demonstrate our commitment to the environment and social responsibility through our actions.

We assess all materials for their impact on the environment and only use paper and board from large, reputable raw material suppliers.

We minimise the use of adhesives and use water-based and soy-based inks in our printing.

We now have the largest range of Australian made carry bags using 100% recycled material.

Custom Print

Brand your product for the biggest impact.

Our custom print options will help carry your brand further. Wherever the bag goes, so does your brand – it's a walking billboard for your business! Almost our entire range of bags can be custom printed. Labels, gift wrap, and tissue paper can also feature your brand. The only limit is your imagination!

WE OFFER

- World-class printing technologies
- High quality, environmentally conscious inks
- Strict quality control procedures
- A minimum order quantity of 3000 for a one or two colour print

Contact our packaging experts for advice on customising your packaging. We can guide you on artwork preparation or for a small fee provide an inhouse graphic design service.

Carry Bags

Our PaperPak carry bags are the premium way to package retail goods.

Made from quality paper, these bags are available in a range of finishes, colours, and handle types, allowing you to choose the carry bag that best reflects your brand.

Choose from a great range of custom print options to enhance your bag and build awareness of your brand. And with our finishing touches, like labels and tissue, you can be sure that all the little things are taken care of.
