

PAPERPAK™

eCommerce Mailer Range

Introducing our ReUseable sustainable solution to the traditional plastic mailer.

PaperPak's ReUseable eCommerce Mailers ensure your online orders arrive safely and sustainably. Designed as a versatile alternative to traditional plastic mailers, they feature a zipper-style tear strip, and dual adhesive strips – allowing for re-use. Whether you're sending apparel, accessories, jewellery, photos, or stationery, there's a PaperPak mailer to suit your needs.

Recyclable*

ReUseable
